

159TH ST. PAVING AT OAK FOREST BEGUN WED. MORNING

The long awaited day has arrived, and we are happy to announce that 159th street in Oak Forest is finally being concreted.

After two years of struggle, with many obstacles to overcome, which kept the village board on their toes, the pouring of concrete was started Wednesday morning. A last minute obstacle occurred, when the concrete was at last assigned for the job, and it was shipped, it was mislabeled to Dolton, instead of to Oak Forest.

This entailed some more rapid contacting and thinking and the village fathers worked fast, and secured 20 state trucks which, starting Wednesday morning will haul the concrete from Dolton to Oak Forest until the work is completed and the supply of concrete is exhausted. Right now it looks as though there might be only enough concrete to make two lanes, but it is hoped that more concrete will be forthcoming so that the four lanes may be completed now, and have the whole job done and not left for later. The sidewalks on both sides of the street, are completed now.

Mr. Hasse of the firm of McCoy and Hasse, the contractors, stated to Village Clerk Bobbitt, Tuesday, that they will work all day Saturday which they would not have done, had it not been for so many delays and trouble with this job. They too, would like to get the work done, especially while the weather is good.

The junction of Cicero avenue and 159th street will be paved from curbing to curbing, for the four lanes, even though there might not be sufficient concrete to lay the four lanes for the entire length.

Great plans are underway for the official opening of this road, and when they are all worked out, the public will be informed.

Students See Planting Of "Rose" Fence on Ray Powers Farm

Over 200 attended a wild life conservation planting demonstration held on the Ray Powers farm near Mokena last Thursday afternoon, according to Wayne Churchill, Farm Adviser. In addition to twenty-five farmers and sportsmen, the program attracted eleven teachers and 180 students from several schools.

Two miles of "new living fence" were planted with 8000 Multiflora Rose. The Lowther tree planting machine, manufactured in Joliet, was used for this purpose.

In addition to the planting demonstration, those present were extremely interested in making a tour of the 273 acre farm for the purpose of seeing nearly a mile of grass waterways recently established. Only a year ago deep gullies existed. Mr. Power had 175 acres of crops planted on the contour this year. He has limed and phosphated according to soil tests and has secured an excellent stand of legume on approximately 90 acres.

Visitors to the farm that day were guided over the 273 acres by Art Kelly Farm Planner for the Will county Soil Conservation district and Minot Sillman, district conservationist of Kankakee.

Washington grade school of Joliet had 86 present, Mokena grade school 60 and 35 vocational agricultural students were there from the Joliet Township high school.

Mr. Powers has started to carry out a well planned complete conservation program on his entire farm. Results already secured make him still more enthusiastic as to the future. It is well worth one time to visit this farm. Mr. Power is always glad to have visitors.

A. A. Rainaud Moves Firm From Chicago To Home Town

Mr. A. A. Rainaud of Lincoln Estates, who has had an upholstery business in Chicago for the past 25 years, 20 years of which he was at 65th street and Cottage Grove, has moved his business establishment to his home town.

Mr. Rainaud said the increase in rent in Chicago, which was more than three times what he originally paid, caused him to make the change. He therefore erected a building for the upholstery business, bought the latest machines and equipment and is now doing all his upholstery at home. Mr. Rainaud welcomes visitors to come and watch the process of furniture being made new through re-upholstering.

FRANKFORT LION'S CLUB AND SCHOOL SPONSOR DRIVE

The Frankfort Lion's club in cooperation with the Frankfort public school is sponsoring a paper collection for the first Wednesday evening of each month. The first of such collections will be held next Wednesday, Nov. 3.

Citizens having paper to donate to this drive are requested to tie all paper and magazines in bundles and place them in the front yard. The group in charge requests the cooperation of the public. The proceeds from the sale of the paper will be divided between the school and Lions club. The school will get the amount which they earned last year, and the balance will be used for community improvements.

Remember! Tie your paper in bundles and place them in the front lawn. First collection will be Wednesday, November 3 starting at 6:30 pm.

Hearing Tests For New Will County School Pupils

"All beginners and pupils new to Will county schools will be given individual pure tone audiometric hearing tests this year," said Dr. Robert L. Kleinoffner acting health officer for Will county health department. He pointed out that this is a continuation of the Will County Hearing Program started last year.

Dr. Kleinoffner stated that of the 20,663 children tested last year, 1646 were referred for further examination.

"Early detection and treatment of beginning hearing defects are necessary to prevent serious hearing impairments, which often result in permanent economic and social handicaps," emphasized the Health Officer.

Last year as a result of these tests, 1471 children were seen in the clinics by ear specialists. All of these children will be rechecked this year to determine what progress has been made.

Miss Olive Price, technician, has joined the staff of Will county health department to carry on this program. "In the rural areas, the beginners, pupils new to Will county, and those found with hearing loss last year will be called into the village centers for testing this year," said Miss Price.

SAM CAMPBELL LECTURES IN MOKENA NOV. 10

Mr. Sam Campbell, the interesting and scholarly "Philosopher of the Forest" is coming to Mokena soon with one of his famed illustrated nature lectures.

He will appear at St. John's church in Mokena on the evening of November 10th.

Tickets will be on sale at the church and at Dunham's hardware store, and will be limited in number to the seating capacity of the church which is 700. The Women's Guild is the sponsor of the event.

All who have seen and heard Sam Campbell "In action" will not need a second invitation, as they will know they are in for an evening of both education and entertainment.

Frankfort School "Fair and Fun Night"

The Frankfort school will sponsor their annual "Fair and Fun Night," on October 29, at 7:30 pm, in the gymnasium. The children will wear costumes and also display their pets.

The Bobzin-Swinford Auxiliary will have a "Craft Shop" where they will display and sell articles made by the disabled veterans. The proceeds of these sales will go to the Veteran who made the articles.

Here is a chance to get your Christmas presents and also help a good cause. Everybody is invited to attend and enjoy the evening with the children.

FORMER MOKENA RESIDENT BURIED IN FRANKFORT

Mrs. Mattie Hotchkiss who lived in Mokena when a child; the daughter of Mr. and Mrs. Wesley Jones, died in the home of her son, Everett Hotchkiss, in New York.

Mrs. Hotchkiss, who was much interested in the Marshall Cemetery, created the perpetual care fund for that cemetery over 25 years ago and which has proved to be a great help. The body was shipped from New York to Frankfort last Tuesday where burial was made in the Pleasant Hill Cemetery beside the grave of her husband.

Pot Pourri

Out of my garden,
I saved one day
And put into this jar,
A bit of the sweetness and fragrance
Of my flowers so bright and gay.
All the joys of a
Summer day
You'll surely find within;
A whiff of this and a smell of that
And things that my flowers say.
A gentle whisper,
A promise; I hear
That they'll be back again,
After their dreamless winter's sleep,
With their Message of good cheer.

WM. BERNARD INJURED IN CORN PICKER ACCIDENT

William Bernard, north of Mokena, was injured last Sunday on the Herbert Cooper farm, where he had taken his corn picker to pick corn. He had just finished the picking and had stepped off the machine, when in some unexplained manner, he was caught in the drive shaft, the machine still running. His clothing which was torn and caught in the shaft, caused the machine to break which stopped it. He then managed to pull himself out, as no one was near and saw the accident.

When released from the machine, he started to walk to the Cooper house, when Ray Knerlein, son-in-law of the Coopers, and who was on the corn crib, saw him, and came to his aid. Dr. E. G. McMahon was called and he was taken to Silver Cross hospital at once for x rays and examination. It was found that he has two fractured ribs and his right arm bruised. He returned home Tuesday and is improving nicely.

Frankfort Pastor's Son to be Ordained Next Sunday

Robert E. Bizer, son of Rev. and Mrs. Erich G. Bizer of Frankfort will be ordained into the Christian ministry at a special ordination service to be held at St. Peter's Evangelical and Reformed church at Frankfort, Sunday the 31st at 7:30 pm.

The sermon for the occasion, "The Church and the Ministry", will be delivered by the Rev. E. Plassman of Peotone, while Rev. Bizer will have charge of his son's ordination, assisted by another son, the Rev. Raymond Bizer of Gilman, Ill.

The choir, under the direction of Mr. Art Lambrecht, will sing "We Thank Thee Lord," by Tkach, and "Breathe on Me Breath of God," by Gillette, with Mrs. Fred Klepper at the organ. The public is cordially invited.

Mr. Robert Bizer was born at Lena, Illinois. He graduated from the Hubbard, Ia., high school and received his A. B. degree from Elmhurst College. This spring he received his B. D. Degree from Eden Seminary at Webster Grove, Mo. At present he is pastor-elect of St. Matthew's Church, Chicago and is also continuing his studies at the University of Chicago. He resides at 2710 W. Iowa St., Chicago.

F.M. Home Bureau Met Saturday

The Frankfort-Mokena unit of the Home Bureau met at the home of Mrs. Robert Hohenstein Saturday afternoon. Mrs. George Elsner presided.

Hallowe'en suggestions were given in answer to roll call. The major lesson on "Points to Consider in Buying Foods," was given by Mrs. Harry Miller. Mrs. Louis Holm presented the health lesson on "Undulant Fever," Mrs. Elsner gave the minor lesson on "Marking the Ballot."

A report on the annual meeting held in the Woodruff Hotel in Joliet was given by Mrs. Fred Piepenbrink. She also conducted recreation which was won by Mrs. Holm. Mrs. Lawrence Kohl announced an organization meeting for all 4-H Leaders to be held in Joliet on Oct. 25. This meeting is especially for 4-H clubs interested in Party-a-Month and Leisure Hour clubs.

Mrs. William Fair won the mystery box gift conducted by Mrs. Robert Neiman. The hostess served delicious refreshments. Mrs. Louis Lauffer will entertain in November.

Young Republican Party and Dance Nov. 1, Joliet

The Will county Young Republican club will hold a hard time dance and Hallowe'en party in the American Legion hall in Joliet Monday evening, November 1. There will be games and refreshments. Admission is free and every young person in Will county is cordially invited.

GEORGE BEUTEL SOLD BULL

George Beutel, a Brown Swiss breeder of Mokena has recently sold the bull Beu-Dell's Gigolo No. 90109 to Paul Kruger, Baroda, Mich., according to a report from Fred S. Idtse, Secretary of the Brown Swiss Cattle Breeders' association, Beloit, Wis.

Two New Lenox Leisure Hour 4-H Clubs Unite

The organization meeting of the New Lenox Cardinal Leisure Hour 4-H Club met Oct. 19 at 7:30 p.m. in the home of Mrs. Walter Hamilton, leader of the club. It was voted that the Bluebird and Cardinal clubs would unite for the winter. Any Bluebird member who has turned in her book and had it checked may join the club. It was decided that the dues would be five cents and the meetings will be held at the Hamilton home at 7:30 p.m. on the third Tuesday of each month.

The next meeting will be Nov. 16. The answer to the roll call will be "One Health or Good Grooming Improvement which we have accomplished in the last month."

The girls decided to make official 4-H uniforms of green and white dicky or blouse and a white beanie. The girls enjoyed refreshments and sang several songs before the meeting was adjourned by the president, Joan Kern.

Many Activities to Celebrate Girl Scout Week in Mokena

Girl Scouts throughout the nation will celebrate Girl Scout week, October 31 through November 6, honoring the founder of the organization, Mrs. Juliette Low, whose birthday is Oct. 31.

Special activities are scheduled by the Mokena Girl Scouts, beginning with Church Day, Sunday, when all Girl Scouts in uniform, will sit in a group in their own churches.

The new Brownie troop, under the leadership of Mrs. Harold Fossum and Mrs. Harmon Shaw, is preparing for investiture service which will be held Sunday, November 7, in the Mokena public school. All five Girl Scout troops will participate in this service. Since the Brownie troop with Mrs. Thomas Powers and Mrs. G. B. Phelps as leaders will invest the other Brownie troop, they will also be preparing for investiture and renewing of their Brownie promise.

Troop No. 41 plans to study the biography of Juliette Low at their regular meeting with the help of their leaders, Mrs. Milton Geuther and Mrs. George Reid.

Troop 42 with leaders, Mrs. Gerritt Swart and Mrs. T. Arthur Shoop, plans a field trip to the home of Mrs. Clarence Cleveland to see her famous rock and basket collection. All the troops are arranging a window exhibit of Girl Scout activities in the store window of Milton Geuther, Front street, to give the town of Mokena a better understanding of Girl Scouts.

Mrs. George H. Bills, leader of the Senior Troop, said that the troop will make a special effort during the week in the Girl Scouts' 1948 project to send clothes to children in Europe and Asia as well as collect infant wear which is sorely needed by the Public Health department of Joliet. The public is asked to cooperate by contributing all types of wearing apparel. A collection box will be provided for these garments in the front of Dunham's Hardware store and the Girl Scouts hope it will be filled many times over. Particularly needed by the Public Health department are baby shirts, diapers, kimonos etc.

Troops 42 and 41 plan a folk dance Hallowe'en party Friday evening, October 29 in the grade school gym with the Boy Scouts as their guests. Mrs. Powers' Brownie troop held a Hallowe'en party in the recreation room of her home on Wednesday, Oct. 27. The girls bobbed for apples, folk danced, sang Scout songs and had a wonderful time.

Mail Messenger Job Again up For Bids

Sealed bids for carrying the United States mails between the Post Office at Mokena and the CRI&P RR will be received by the Postmaster, Margaret M. O'Brien until Saturday, Nov. 6, 1948.

Persons bidding must be not under sixteen (16) years of age and suitable to be entrusted with the care and custody of the mails. Proposals must be made at a yearly rate for all services required. Persons wishing to bid should inform themselves of the amount and character of the service, without additional compensation, all trips now required and any that may hereafter become necessary between the points named above. Mail messenger is required to meet six (6) trains daily—the first train due at 7:25 A. M. and the last dispatch at 5:36 P. M. For a number of years the messenger was required to meet an early train at 5:30 A. M. However, this train does not dispatch mail at Mokena at the time.

Blank bids may be secured from the Postmaster. Bids should be enclosed in an envelope, sealed, and marked "Proposal for Mail Messenger Service," with the name of the bidder written on the outside, and handed to the postmaster.

A fair and reasonable compensation will be allowed for the service. At one time the job paid but \$35.00 a month, however, for the past few years the rates have been much higher—paying at the present time over \$100.00 monthly.

APPOINTED TO ZONING BOARD

Elmer Cooper of Mokena was appointed to the Will county Zoning board to fill the vacancy created by the resignation of Attorney Albert H. Krusemark Sr., of Frankfort. The board held a meeting Tuesday night to hear petitions on zoning.

PTA CARNIVAL IN MOKENA SCHOOL FRIDAY AND SAT. NOV. 5-6

Amateur Talent—Here's Your Chance at PTA Sponsored Show

The Mokena Parent Teacher's association are sponsoring an Amateur show to be held Friday evening, November 19, in the Mokena school auditorium. They will be assisted by the Ideal Recording company.

The winners of this local amateur night contest will all have the opportunity to appear the following Sunday on a radio broadcast over station WJOL, and to compete later with winners from other sections.

If you have a talent and feel that you can sing, dance, whistle, play any instrument, or do imitations, you are requested by the Mokena PTA sponsors to make your entry now.

For your convenience in doing this, an "Amateur Show Application Blank" is printed on another page of this paper. You are urged by the sponsors to fill out and mail this entry blank to either Lyman Teague, Mrs. Henry Clark, or Berle Needham, and do it now.

This is a contest open to everyone—young, old and middle aged—so come on and enjoy the fun. A definite try-out date will be announced later.

Arvey Predicts 250,000 Edge

Democratic candidates will carry Cook County by at least 250,000 votes in the November 2 election, it was predicted yesterday by Col. J. M. Arvey county chairman.

The Democratic campaign, he said, has been given "tremendous impetus" by the October 25 visit to Chicago of President Truman.

If trends of the past week carry through, "there can be no question of a Democratic victory," Arvey said.

"In this campaign," the chairman said, "the public did not really become interested until the past ten days, but it is apparent now that there will be a big vote and that the majority of voters will cast their ballots for the Democratic candidates. The candidates have made a splendid campaign and, on their merits, have received many favorable newspaper endorsements, as well as support from civic, labor and other groups."

"Machine Is Through" Reports from downstate "plainly indicate that President Truman and the Stevenson-Douglas ticket will carry enough of the 101 counties outside Cook county to win the state by approximately the same margin of victory as that given President Roosevelt in 1944," Arvey said. Roosevelt won in that year against Thomas E. Dewey by a plurality of 140,165. He carried Cook county by 350,707 votes. "Adlai Stevenson, our candidate for Governor, Paul H. Douglas, our candidate for U. S. Senator, and Secretary of State Edward J. Barrett, running for reelection, have set the paces of Illinois afire," said Arvey. "The state house machine has reached the end of the road."

Election of John S. Boyle for state's attorney of Cook county, and of his running mates on the county ticket, "is assured by the highly favorable sentiment of the people," Arvey said. "The voters give every indication that they will rebuff the handpicked, political candidates of the statehouse machine."

Predicts County Sweep

Re-election of Albert J. Horan for the Municipal Court bailiff, of Joseph L. Gill for Municipal Court clerk, and of the entire slate of Democratic candidates for Municipal Judge, who appear on the separate ballot, was prophesied by Col. Arvey.

The county chairman said the five incumbent Democratic Congressmen from Chicago will be re-elected, and that "at least five" of the Democratic candidates in other districts will come through because of their pledge to carry out the anti inflation and other planks of the Democratic national platform.

Frankfort Group Attends Dist. Meet

Thursday, Oct. 21, a group from the St. Peter's Guild of the Evangelical Reformed Church at Frankfort motored to Gilman to attend the fall conference of the Monee Region of Women's Guilds.

Miss Hedwig Schaeffer, a missionary of India, who is home on furlough, gave a very interesting talk on India. Mrs. Charles Chwantes, national representative of the women's guild of the church also was present and gave a general talk and helped the various chairmen plan and outline the work for the year. A sack lunch was enjoyed in the dining hall of the church.

FRANKFORT-NEW LENOX 4-H CLUB ELECTION

The Frankfort-New Lenox 4-H club met in the Francis school last week for their final fall meeting with nine members present. Officers for the coming year were elected as follows: President, Dolores Cleveland, vice president, Betty Haas; secretary-treasurer, Dan Hecht; flag tender, Wesley Haas; club reporter, George Archibald; recreation chairman, Arlene Borms.

After installation Fred Francis, club leader, gave a talk on project books and plans for next year. The next meeting will be held at the Francis school at eight o'clock January 11, 1949.

The Mokena Parent-Teacher association is most active, and among other affairs they are planning on a carnival. This is a yearly affair and will be held this year, next Friday and Saturday evenings, November 5 and 6.

Starting Friday evening, at seven o'clock, there will be entertainment, games for all, beside many nice articles to buy in the bazaar section. Light refreshments will be available.

There will also be many exhibits, and booths located in the rooms of the school. Outstanding will be a wax exhibit of miniature flowers, fruits and vegetables, made and shown by Mrs. Edward Cook of Joliet. This alone is worth going to see.

Starting at 5:30 Saturday evening will be a fine cafeteria dinner to which the public is also invited. PTA members have been working for weeks, planning, sewing and making articles to make this event a success.

Mark your calendar for this two-day event and also for the amateur show sponsored by the PTA.

LARGEST CROP IN HISTORY OF THIS COUNTRY

The United States is completing the harvest of the largest crop in the nation's history, according to the fall report just issued by the Industrial and Agricultural department of the Chicago, Rock Island and Pacific railroad company.

Leading the list in the 1948 bumper harvest was the production of corn which, according to the report, reached an all-time high of 3,567,955,000 bushels over 1½ billion bushels greater than in 1947. It is expected that the unprecedented corn crop will lead directly to increased hog production.

Production of wheat totaled 1,284,000,000 bushels, 70 per cent of which was grown in the 14 mid-western states in which the Rock Island's 8000 mile system operates.

In predicting the winter wheat prospects for 1949, Rock Island agricultural officials believe that seedlings this fall have slightly exceeded last year's acreage. At the present time, the outlook for next year's crop is excellent in western Kansas, but eastern Colorado, the Texas Panhandle and central Oklahoma are in need of surface moisture.

Last Message From The Will Co., GOP

"Vote Republican." The Will County Republican central committee as GOP candidates from Gov. Thomas E. Dewey, seeking the highest post in the land, down to the state and county offices make a last minute appeal for votes.

"Without Dewey in the White House, you cannot enjoy the full benefits of good state and county government," party officials stress in urging voters to cast a "straight Republican ballot."

Dewey and his running-mate, Gov. Earl Warren of California, are stressing unity and cooperation in their campaign.

On the state and county tickets on the other hand, the candidates in general are pointing to their records and asking that the records speak for themselves. Gov. Dwight H. Green promises the people the same efficiency as he has given in the past.

Because of their seniority rights in Washington, C. Wayland Brooks, and Cong. Noah M. Mason are seeking to be returned to the U. S. capital. Senator Brooks has been serving in the senate since 1940 and if re-elected will be the 8th ranking GOP Senator in the country. Cong. Mason on the other hand is seeking Will county votes for the first time. Heretofore he was sent to Congress from the 12th district, of which LaSalle county was then a part. Now LaSalle together with Will, DuPage, Kendall, Kane, Boone and DeKalb counties form the new 15th district from which Cong. Mason is asking election. He was first named to Congress in 1936.

On the county ticket, four of five candidates are seeking to be returned to office. They are: County Recorder Robert Spreitzer; Circuit Clerk Paul V. Wunder, Jr.; State's Attorney James E. Burke; and County Auditor Herman C. Grassle. The fifth candidate is Willard G. Blood, aspirant to the office of county coroner.

Farmers Deserve a Friend In the State's Attorney's Office

Living in the lonely countryside, the farmer has special problems of protection of his family, his property and his livestock. This protection is fully realized only when the State's Attorney is sincerely interested in the welfare of the farmer. James E. Burke has proved himself such a State's Attorney with good reason he is known as "the friend of the farmer" because he has acted in close consultation with the "F" men and other farmer organizations to drive crime out of Will county. Keep a friend of the farmer in the State's Attorney's Office.

DEWEY GETS THINGS DONE

Thomas E. Dewey
For President

Earl Warren
For Vice-President

Thomas E. Dewey, as governor of New York State, has cut taxes, built up surpluses, increased state aid to local government, and reduced debts.

Under Dewey's leadership, real teamwork in New York State has brought labor a shorter work week with higher states. He has stimulated production in his state by work-net earnings and the lowest strike record of all industrial ing with business, agriculture and labor, cutting taxes on individuals and on business.

Governor Dewey has sounded the keynote of unity. In New York State he has created a team of all elements of the people working together. He knows how to work with legislatures and will get cooperation from Congress. Dewey gets things done.

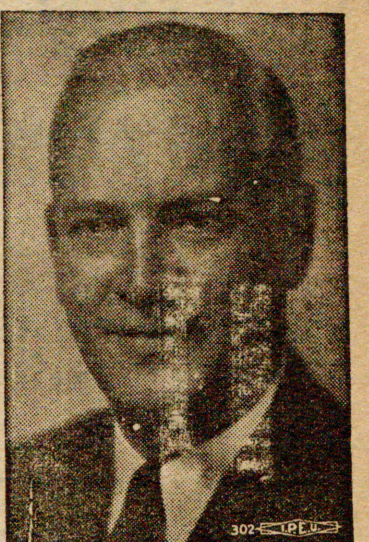

Brooks and Green Get Things Done

Illinois born, Illinois bred, Illinois minded, Brooks believes that he who serves his state best also serves his country best. He has kept in touch with Illinois sentiment and when choosing committees, he chose appropriations, where Illinois could have a voice in every item of federal expenditure. Brooks is a constructive Senator.

Governor Green's administrative achievements have been the soundest in Illinois history. His foresight has prevented squandering and his thrift has created savings. His unflinching aid to labor, agriculture and industry has marked an unique triple success.

Individually and collectively, our district and county officials have produced results that make Will County an outstanding one in the state. It could well be used as an example for all counties in the state. Crime and juvenile delinquency have practically disappeared—the County operates completely within its budget and will continue to do so with these officials. District Representatives in our state legislature and U. S. Congress have worked untiringly for the betterment of this district. They are needed now, more than ever before, to continue their constructive work.

Hallowe'en Origin Ancient and Modern

The history of Halloween might well have been brewed in a bubbling caldron by a chanting, black-robed witch as for Halloween is an unbelievable mixture of ancient festivals, medieval superstition, and Christian belief.

According to the World Book En-

cyclopedia's research experts, Halloween is the direct descendant of a harvest festival celebrated in Britain by the Druids long before the Christian era. The night before the festival was called "All Soul's Eve," and on this night "Saman," the Lord of Death, called together all the souls of wicked men who had been condemned to inhabit the bodies of animals. The Druids believed that Saman then decided the forms the condemned souls should take for the next year.

The belief that evil spirits roam among men on Halloween can be traced to this druidic "gathering of the souls."

The World Book researchers claim that the Druids were responsible for linking the cat with evil on Halloween. The Druids believed that cats were human beings who were changed into

animals for some misdeed. This superstition took many forms, and later cats were standard equipment for any one who practiced witchcraft.

When Caesar's legions invaded Britain, the Roman Feast of Pomona mingled with the Druidic celebration. Pomona was the Goddess of the autumn harvest—and nuts and apples were eaten at her festival. To this day, nuts and apples have a place in Halloween festivities.

In an effort to curb the pagan aspect of the evening, the early Christian church set aside November first as "All Saints' Day." The evening before was then called "Hallowed Evening"—which was corrupted to "Halloween."

Throughout the years the legends and superstitions grew. The origin of the jack-o'-lantern can be traced to

Ireland. The legend says that a man named Jack was barred from heaven because he was stingy. When Jack got to Hell the devil refused to admit him, because, as a human, Jack had played practical jokes on Satan. So, the stingy practical joker was condemned to walk the streets with a lantern until Judgment Day.

Waxing windows comes from the British "Chalk-Back" day. Street ruffians would chalk the backs of adults with circles to indicate that the rule of the summer sun was over.

Children in ancient times were quick to see that Halloween superstition offered many opportunities for mischief. If gates disappeared and horses and cattle were mysteriously turned loose, the townfolk blamed it on spooks and ghosts. At the time, it was believed that wicked souls took the form of adults, so the children began dressing as grown-ups. If anyone saw the costumed youngsters engaged in a prank, the spook would be blamed. The World Book researchers say that this was the beginning of costumes for Halloween.

are made. An International winning is regarded as the highest award that exhibitors can attain.

Premiums for the show have been increased this year, as breed associations have volunteered more money for International classes, and the prize total of the show will exceed the usual \$100,000 for the competitions of four breeds of beef cattle, 11 breeds of sheep, nine of swine and five of draft horses.

New Features Planned

The Junior Livestock Feeding Contest for boy and girl feeders of fat cattle, swine, and sheep will again assume its prominent place on the first day's program.

The 26th International Grain and Hay Show will bring crop samples from 6 Canadian provinces and most of the 48 states to a world-renowned competition where the "royalty" among crop producers are crowned.

The famous International Horse Show, another leading event of its

kind, will again provide top entertainment. New features are planned for this year's series of Horse Shows which are scheduled daily through the eight-day run of the Exposition.

Entries for the show close November 1 for all live stock classes except carloads of fat stock which may be made up to November 20. Grain Show entries close November 10.

Re-Elect Mason to Congress

Mason is a member of the powerful Ways and Means Committee. His record in Congress is well known. He asks your support on the basis of that record. Mason has a 90% "batting average" on all labor legislation that has come before him during his 18 years in legislative work.

Congressman Mason's whole background is one of consistent Christian Americanism. He served six years on the "Dies Committee." He is fearless, capable, and aggressive. After 18 years in public life—6 years in the State Senate and 12 years in the Congress—Mason's word is still good.

Bigger International Predicted in Chicago

Work has begun on the 49th edition of the International Live Stock Exposition, the nation's leading agricultural event, and early reports indicate that the 1948 show should attract larger classes than in any previous International in the nearly 50 years of its history.

The Exposition which transforms Chicago into a great focal point of the continent's live stock industry, drawing nearly half a million people from the 48 states, all Canadian provinces and foreign countries, is scheduled for November 27 through December 4 in the huge International Amphitheatre of the Chicago Stock Yards.

Expect Larger Showings

Livestock shows throughout the continent were generally larger this year. W. E. Ogilvie, manager of the show, announces and this is a good barometer of what may be anticipated at the Chicago exposition. The management predicts entries this year will exceed the 12,500 head of animals exhibited last year.

The International is considered by stockmen and farmers as the high court among all such events, where final decisions in matters of livestock

Read the easy-to-follow instructions below, and get your essay in the mail before midnight, November 10, 1948. Remember, you'll be competing with boys and girls in your own age group, so everyone has an equal chance to win.

Rules

1. After seeing the fifty water colors "OUR LANDMARKS" on display throughout October, 1948, at the Chicago Historical Society (Hours, 9:30 to 4:30 on weekdays, including Saturdays; 12:30 to 5:30 on Sundays. Admission is always free to school children) in Lincoln Park, corner of North and Clark, Chicago, write 150 words or less on your favorite landmark, giving reasons why it appealed to you. Your essay must be written on the official entry blank obtainable only at the Information Desk, Chicago Historical Society.
2. Mail your essay to: Board of Judges, "OUR LANDMARKS" Essay Contest, 6 North Michigan Avenue, Chicago 2, Illinois.
3. All entries must be postmarked on or before midnight, November 10, 1948, and received by November 17, 1948.
4. Essays will be grouped into five classes for judging:
 - Group I 4th Grade and below
 - Group II 5th & 6th Grades
 - Group III 7th & 8th Grades
 - Group IV 1st & 2nd years High School
 - Group V 3rd & 4th years High School

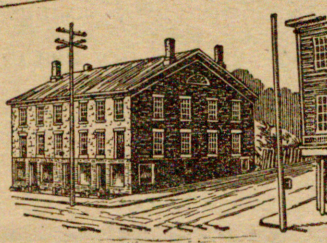

Identical prizes will be awarded in each group. 150 prizes in all. First prize: Newest Zenith FM-AM table radio; Second prize: Philco Transitone Battery-AC-DC portable radio; Third through Tenth prize: \$25.00 Security Bond each.

4. Essays will be judged on originality, suitability, and aptness of thought. Decisions of the judges are final. Duplicate prizes in case of ties. All essays, contents and ideas contained therein become the property of Public Service Company of Northern Illinois and none will be returned.

5. Contest is open to grade and high school students (except in families of this Company's employees) attending school and residing in the territory served by the Public Service Company of Northern Illinois.

6. Winners will be notified by mail shortly after the close of the contest. Complete list of prize winners' names will be posted in all Public Service stores and the Service Bulletin.

OFFICE OF COUNTY TREASURER OF COOK COUNTY AND EX-OFFICIO COUNTY COLLECTOR OF COOK COUNTY, ILLINOIS.

Advertisement and Notice of Collector of Cook County of Application for Sale of Delinquent Lands and Lots for General Taxes for the Year 1947, and Notice of Sale Thereof and application for judgment, fixing the correct amount of any tax paid under protest and for order for sale on such payments, as provided by law.

Orland Township,
October 23, 1948

NOTICE is hereby given that the said Collector of Cook County will apply to the County Court of Cook County, on the 8th day of November, A. D. 1948, for judgment against lands and lots hereinafter described as being delinquent upon which taxes remain due and unpaid, or personal property taxes charged thereon as noted in this advertisement, remain due and unpaid for said taxes, interest and costs, and for an order to sell said lands and lots for the satisfaction thereof according to law excepting from said judgment and order of sale the cases which are included in this advertisement for sale only under former unexecuted judgments and order of sale as may be noted in this advertisement).

Notice is also given that an application will be made for judgment fixing the correct amount of any tax paid under protest.

Notice is further herein and hereby given that on the Second Monday next succeeding the 8th day of November, A. D. 1948, to-wit, the 22nd day of November, A. D. 1948, at the hour of 8 o'clock A. M. all said lands and lots heretofore described for sale of which an order shall be made or have heretofore been made and not executed as noted, will be exposed to public sale at the County Building of Cook County, where the County Court is held in said County for the amount of taxes, interest and costs due thereon respectively.

The following is a list of delinquent lands and lots upon which the taxes remain due and unpaid, the name of the owners, where known, the total amount due thereon (excluding delinquent special assessments separately advertised) and the year or years for which the same is due.

(The total amount due in this application on each tract or parcel of land or lot is the sum of the amounts appearing due in this advertisement.)

EXPLANATORY NOTE—In this list in all places where no other notation is made the figures in the column headed "\$" (meaning dollars) and the "ct" (meaning cents) represent the taxes due and unpaid for the year A. D. 194

Where the letter "F" is placed to the left of the figures in this column it is intended for an abbreviation of the word "forfeiture" and denotes that the amounts set down to the right of the same are the amounts due and unpaid on said lands and lots for which said lands and lots have been previously forfeited to the State. When back taxes are extended they are indicated by the letters "B. T."

PAYMENTS OF TAXES. MAIL AFTER PRINTERS COPIES ARE SENT TO PUBLISHERS FOR LISTING AND APPEAR AS DELINQUENT IN THIS ADVERTISEMENT, WILL BE SATISFIED IN JUDGMENT RECORDS BEFORE SALE.

Where no description of property (either land, lot, block or portion thereof) appears in said column to the left and opposite the figures in said column headed "¢" (meaning dollars) and "cts" (meaning cents) said figures relate to the land, lot, block or portion thereof last above described, appearing to the left of the opposite said "¢" and "cts" column, "Name" in the column "name" where used in the list means name of the owner of said delinquent lands, or lots "desc" in said word means description of said lands or lots.

WHY VOTE "NO" ON \$6 MILLION COOK COUNTY T. B. BOND ISSUE

By Thornton Township Taxpayers' Association, Inc.

Harvey, Ill., October 21, 1948. TAX ASSOCIATION RECOMMENDS DEFEAT OF \$6,000,000 T. B. BONDS. A \$6,000,000.00 bond issue has been submitted for approval of the voters by the Board of the Suburban Cook County Tuberculosis Sanitarium Dis-

trict. This proposition will be voted upon at the general election on November 2nd, 1948. The geographical area contained in this new taxing district includes all of Cook County outside the City of Chicago. The Thornton Township Taxpayers' Association strenuously objected to the establishment of this district a year ago, largely on the basis that a bond issue for the construction of hospitals would follow. The officers of the Tax Association wish to emphasize their interest in the T. B. program and to make it clear that objections of the Association are based upon the methods of operation outlined by the T. B. Board.

Financial Considerations. Many of the suburban communities in this taxing district are confronted with serious difficulties relating to the financial support of their schools, villages, and other municipal corporations. The present debt of some areas now exceeds ten percent of the total assessed value of all taxable property contained therein. Municipal bankruptcy within a ten year period has been forecast for some

of these communities by competent real estate and taxing authorities. Property taxes on modest homes commonly exceed three hundred dollars in certain of these areas. The drastic increase in interest rates on recent bond issues and tax anticipation warrants in several of the school districts within the last two years is a further indication of the credit ratings in many of the suburban communities. These facts make it imperative that any additional proposed taxes in this area should be approached with caution and careful study.

T. B. Budget for 1948-49. An examination of the budget adopted by the T. B. Board for this year indicates clearly that an ambitious program has been presented to the public, to justify their actions. The total amount of the current budget amounts to \$1,471,606.00. The numerous appropriations contained in the budget include \$38,900.00 for the payment of salaries for administrative officials, and \$155,750.00 in salaries for the clinic division. These figures include one T. B. controller at \$15,000.00, and three assistants at \$12,000.00 each per annum. A secretary-treasurer is listed at \$7,500.00; a statistician at \$5,000.00, and stenographers and bookkeepers at \$3,000.00 each. Approximately thirty-five nurses are listed with most of the salaries at \$2,700.00. In addition there are plans for the employment of eight clinic clerks. Approximately one-half of the total appropriation is allocated for the care of T. B. patients in hospitals. The travel allowance for administrative officials and the nurses, 42 persons, using private cars in connection with their duties carries an appropriation of \$25,200.00. Also, there is included a miscellaneous item of \$42,000.00.

In the absence of a carefully worked

out plan to justify this budget, the Tax Association does not believe it can stand up to careful scrutiny. Also, the Association takes the position that it is the responsibility of the governing Board to submit sufficient detailed information to justify expenditures of this magnitude in advance of even submitting the proposal for creating the district. This was not done, nor was there any statement of a contemplated bond issue when the district was created.

Coordination of Activities Needed. For many years all T. B. patients in Illinois have been practically guaranteed medical care under the existing laws, regardless of their financial status. In recent years some of the patients in T. B. hospitals supported by property taxes have had incomes in excess of \$10,000.00 annually. Cook County, like nearly every other Illinois County has long levied taxes for the care of T. B. patients. By so doing, all taxpayers in the County were required to pay the same proportion of their total taxes for this purpose. In addition the City of Chicago has a T. B. tax. In the 1947 session of the Illinois General Assembly more than \$5,000,000.00 was appropriated from State funds for constructing T. B. hospitals in Cook County and downstate. Construction on one of the hospitals for Cook County is now underway.

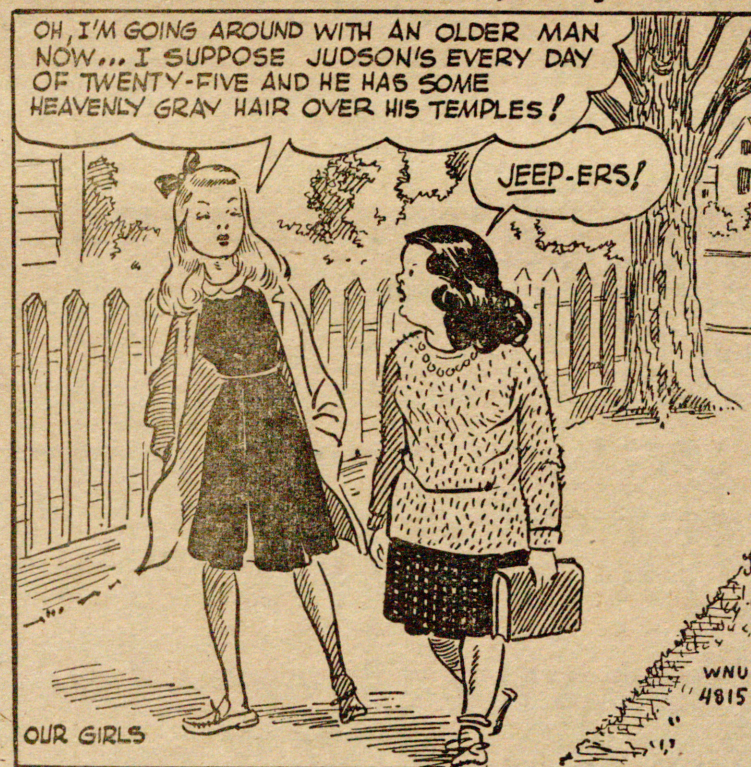

In light of these developments, it would appear that there is more need for developing a coordinated program

of administering this program, than there is for the establishment of a taxing district for this special purpose. Many Illinois legislatures have evidenced serious interest in the State assuming the full authority for T. B. control in Illinois. The Tax Association has recommended this in the interest of more uniformity in the care of T. B. patients throughout the State, and due to the fact that the State can better finance this program than individual counties.

Maximum Tax Rate. The current operating budget of the Suburban District requires the maximum tax rate for 1948 of 7½¢. If the bond issue carries, it is estimated that the total rate for the next twenty years will average about 10¢. The manner in which the bonds are proposed to be sold, provides that only the interest on the bonds will be paid for the first five years, at the rate of \$180,000.00 per year. Starting with the fifth year, sixteen payments of \$375,000.00 will be paid for the next fifteen years. The total cost for principal and interest will be approximately \$8,250,000.00. This Association contends

BACK HOME AGAIN

By Ed Dodd

that merely the spending of large sums of money will not necessarily result in an efficient T. B. program. Efficient management of a smaller budget might well produce greater results. With almost \$1½ million per year in taxes (without the proposed bond issue) the new Suburban T. B. District will have ample funds for examination and board of patients in other institutions until the State of Illinois coordinates its over all T. B. program for the same service, THORNTON TOWNSHIP TAXPAYERS' ASSOCIATION, INC.

The primitive marketing conditions that made farming so hazardous up to the middle of the past century were changed as a result of the establishment of the Chicago Board of Trade in 1848 which proved to be an important factor in stimulating the growth of the great inland agricultural empire.

75.00 IN THE 'I Need Boyle,' Says Kennelly

BY CHARLES R. CLEVELAND

The partnership papers of Mayor Kennelly and John S. Boyle to organize in driving headlines from Cook County were formally signed Thursday night.

Said Kennelly: 'I need the kind of state's attorney John S. Boyle will be to finish my job of cleaning up Chicago.'

'All I want,' replied Boyle, Democratic candidate for the office, 'is to work with Mayor Kennelly and do the kind of job he expects me to do.'

The statements were made at a gathering in Boyle's neighborhood area of some 700 friends and neighbors of the candidate at the South Side Masonic Temple, 64th and Green sts.

Endorse Boyle

Adding their endorsements for the first time together on a public platform were the former State's Attorney Thomas J. Courtney and the current prosecutor, William J. Tuohy.

Both had high praise for Boyle's records as assistant state's attorney and pledged their support in his campaign.

Many other county candidates were there too to add their words of congratulations to the candidate. Steve Bailey, business manager of the plumbers' union, said his and other union

John S. Boyle's Candidacy is approved by both the Chicago Crime Commission and the Chicago Bar Association.

Re-elect Dwight H. GREEN

For A Greater Illinois . . .

A GOOD GOVERNOR

No governor has done more for the people of Illinois in every walk of life and added more to the dignity of the state than Dwight H. Green. He has truly been a good Governor—a Governor who has accomplished great things for all the people of the state. His record shows these facts:

FOR FARMERS he has inaugurated the state's first system of State Aid Farm-to-Market roads; carried out programs on drainage, soil conservation and elimination of livestock disease.

FOR BUSINESS MEN he has kept taxes down, balanced the budget, and practiced strict economy everywhere.

FOR WORKERS he has approved more legislation favorable to labor than any other governor; acted as a bulwark against anti-labor legislation of any kind.

FOR VETERANS he sponsored the nation's most liberal bonus. His administration established the first Veterans' Commission in the country for personal service on veterans' problems and is carrying out a rehabilitation program which is restoring thousands of veterans to productive life. New veterans' hospital units have been built at State institutions.

FOR EVERYBODY—Under Governor Green state aid to Public schools almost trebled . . . New buildings and expanded facilities for the University of Illinois and the state colleges . . . A \$30,000,000 housing program, aiding 115 local housing boards . . . Old age and blind pensions liberally increased and aid to dependent children established . . . First program of state tuberculosis hospital and state aid to community hospitals . . . First system of state aid to airports throughout Illinois . . . Expansion and Improvement in our highways, parks and recreational facilities.

The record of Governor Dwight H. Green in service to ALL the people of Illinois has never been equalled. It is a record of sound administration and lasting accomplishments.

Tinley Boy Mainstay On Varsity Team

Word from Bradley university at Peoria, tells that Gerald Jacobs, of Tinley Park, is making quite a name for himself as one of the mainstays of the Bradley Braves football team.

He has been doing all right for himself both on offense and defense, and without a doubt he will be out there battling on almost every play throughout the remainder of the Braves tough schedule.

"Gerry" went with the team on the trips that they have already made this season, and he has been on the field in his regular position at halfback in the games that the Braves have played on the home field at the Peoria stadium.

'Vertical' Expansion Boosts Per Acre Output, Helps Farmers Reduce Crop Production Costs

Bumper Corn Yields Are Reward for Building Soil Fertility.

CHICAGO—You can increase your farm's crop producing size without adding a single acre, by "vertical expansion," declared the Middle West Soil Improvement Committee in a statement made public here.

"Vertical expansion" means building up the soil's fertility level so it will give you more bushels per acre, the statement points out. "Higher yields mean lower production costs," it says. "That will help you make money when the present seller's market is over and farm prices are lower."

"No magic is needed for 'double-decking' your land. It simply in-

volves adding needed plant nutrients and organic matter to the soil. With more organic matter, your crops get more use of the rain you get. Fertilizers are more efficient, too.

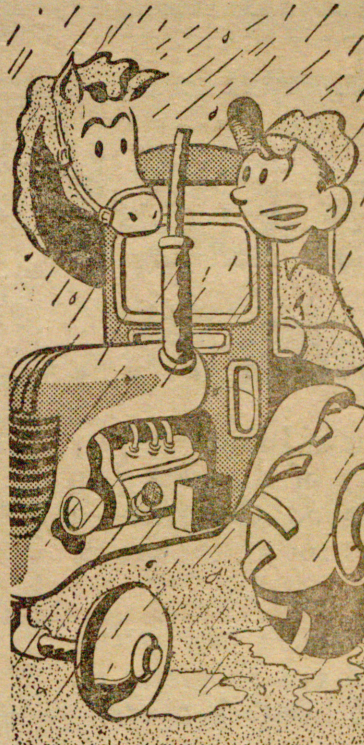

"To get that organic matter you should hitch your production program to a rotation in which deep-rooted legumes are the key crop. To get good legume growth you have to feed the soil phosphate and potash fertilizer. Other things are important, too. Good land use and conservation methods are essential. You should give back to the soil all possible animal manure and crop residues."

Former Presidents To Meet Oct. 29

Mrs. Walter Eichelberg of Tinley Park, assisted by Mrs. C. M. Bacon, Mrs. Loren Cater of Homewood, Mrs. T. J. Hegers, Mrs. Michael Kasepr, Mrs. Sam Vanderhei of Chicago and Mrs. William A. Watson of Palos Heights will be hostesses at the meeting of the Former Presidents' club of

the third district, Illinois Federation of Women's clubs tomorrow.

The meeting will convene at noon with a smorgasbord luncheon in the Swedish club in Chicago. Many good speakers are scheduled.

Soil Building Key To Higher Yields, Lower Output Costs

CHICAGO — Farm production costs have nearly tripled since the prewar days of 1935-39, declared the Middle West Soil Improvement Committee in a statement issued here.

"Farm wages are now three and a half times the 1935-39 average, according to U. S. Department of Agriculture statistics," says the statement. "The cost of seed, feed, and many other things farmers buy has soared."

"Meanwhile, farm prices have slumped and many economists expect a further easing in the period ahead."

"Farmers can meet the impact of higher production costs and lower prices by good soil management that steps up crop producing efficiency and cuts output costs per unit. With fertilizer still one of the 'best buys' in farm production costs, soil building for high production is more profitable than ever."

"Good soil management means teamwork in which a number of different measures back each other up. These include a good rotation, built around deep-rooted legumes, liming, the use of phosphate and potash fertilizer, the return of barnyard manure and crop aftermaths to the soil."

"Working together these members of the soil management team will build up your soil's organic matter, improve tilth and drainage and give crop roots more living space in which to forage for plant nutrients."

Communist Menace Vital Issue in This Election.—Gov. Green

Governor Dwight H. Green predicts sweeping Republican victories in Cook county, Illinois and the nation. The determination of the people to take a firmer stand against the menace of Communism at home and abroad is one of the strongest factors in the Republican trend, the Governor asserted in an interview.

"The issue which the people regard as most vital is clearly that of the Communist menace and they have decided that it can best be met by President Dewey and a Republican Congress," the governor said.

"In the state campaign, the fundamental issue has been the record of Republican efficiency and economy and its constructive gains for the people. The record of a balanced budget and low state taxes, increased aid to the public schools and higher education, the payment of the most liberal veteran's bonus adopted by any state, and of constructive action to meet every problem of today and tomorrow is well known to the people."

"Good government is just as vital to the community as to the state and the nation. The Republican candidates in Cook county, headed by Malachy J. Coghlan for state's attorney, and the Republican municipal court ticket in Chicago are men who will give us that

kind of government. It is clear that the people are going to vote straight Republican in such numbers that all of them will be elected."

Governor Green is spending the final week of the campaign in a series of meetings in Cook County. He will close his campaign with a radio address over station WGN and a statewide network Monday evening, Nov. 1, at 7 p.m.

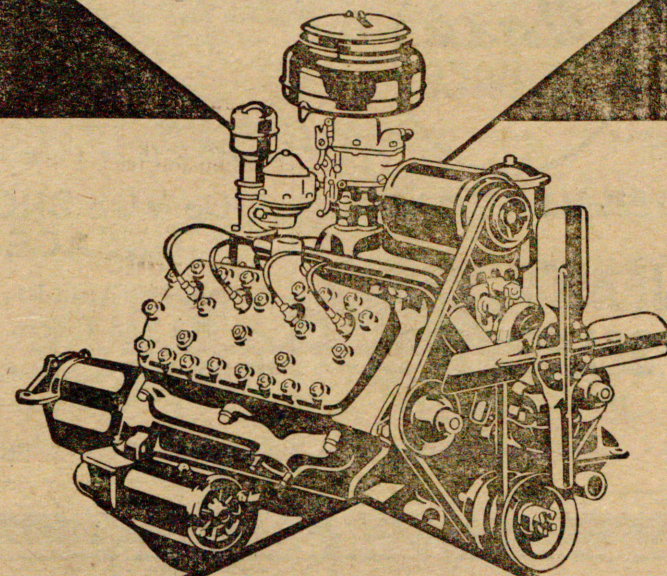

New Lenox PTA Sponsors Marionette Show Nov. 2nd

Mrs. Burton Gillett, president of the New Lenox Parent-Teacher association is announcing that the organization will sponsor a Marionette show to be held in the New Lenox public school Tuesday evening, November 2 at 8 o'clock.

The title of the show will be "Thumbelina and the Circus." This is rated as such a good show that even though November 2 is on a school night and this was the only open date to have the show, it was signed up with the Cole's owners of the show.

It is hoped by the sponsors that there will be a big crowd to see the presentation. Tickets are available through Mrs. Gillette or at the door the night of the show.

to be about the home, until stricken with a sudden heart attack on Tuesday. He would have reached his 82nd birthday had he survived until Dec. 8. Farming was his livelihood and he served as trustee of Homer church for many years.

Surviving him are his wife, Dora (nee Krueger), a son Clyde; two daughters, Mrs. Ralph Waldvogel of Homer and Mrs. Irving Volrath of Lemont two brothers Robert of Plainfield and Charles of Homer; also one grand-daughter, five grandsons and one great granddaughter.

Funeral services were held Friday afternoon at 2 o'clock at the Goodale funeral home, with the Rev. Harold Finley officiating; burial was in Brooks cemetery.

FORMER HOMER MAN DIES IN KANSAS

Word was received this week of the death of Irving N. Rowley, a native of Homer township who lived here until middle age, on his farm which is now

owned by the William Casper Sr., family.

About thirty-five years ago, Mr. and Mrs. Rowley moved to LaCygne, Kansas, where they have since lived. His death occurred Wednesday Oct. 20 at the age of 85. Funeral services were held in the Methodist church at LaCygne Saturday, Oct. 23.

He is survived by his wife, Ella (nee Dole) a son Howard and a daughter, Mrs. Perry Black, both of Kansas, by two grandsons, Bruce Rowley and Geo. Black and by two great grandchildren. An older son George and the latter's son Robert died several years ago.

Homer Couple Married in Lemont

The marriage of Miss Marilyn Voltarel, daughter of Mr. and Mrs. Angelo Voltarel, and Leo Norbut, son of Mr. and Mrs. Stanley Norbut, was solemnized in St. Alphonsus church, Lemont, Saturday afternoon, Oct. 23 at 4 o'clock. A reception was held in Moose hall, Lockport in the evening which was attended by a large group of relatives and friends.

The Wayside Workers circle of Kings Daughters will meet in the home of Mrs. Willard Rowley Thursday afternoon, Nov. 4. Mrs. Helen Rowley will be assisting hostess.

The Missionary society is grateful to all friends who cooperated in making their supper and sale the big success which it was, last Thursday evening.

The Homer-Lockport home bureau unit met Wednesday of this week in the home of Mrs. Frank Loucks. Mrs. Betty Wingrove newly appointed home adviser gave the lesson on New Fabrics and their uses, while the minor lesson on Voting was given by Mrs. Nick Bokan.

Remember to attend the Halloween party in Homer church dining room Friday evening. Come in Halloween attire, please. Sponsored by the Friendly club.

GOVERNOR****For A Greater Illinois . . .**

No governor has done more for the people of Illinois in every walk of life and added more to the dignity of the state than Dwight H. Green. He has truly been a good Governor—a Governor who has accomplished great things.

CHICAGO AND COOK COUNTY under Governor Green have obtained full and fair representation in Congress under the first Congressional reapportionment since 1901, unification and public ownership of the traction system, state aid in the construction of superhighways and airports, a centralized State office building, and a practical state housing plan under which private enterprise has started to rebuild the city's slums.

GOVERNOR GREEN has balanced the state budget, reduced the sales tax from three to two cents, and practiced strict economy everywhere. His record includes:

FOR WORKERS he has approved more legislation favorable to labor than any other governor; acted as a bulwark against anti-labor legislation of any kind.

FOR VETERANS he sponsored the nation's most liberal bonus. His administration established the first Veterans' Commission in the country for personal service on veterans' problems and is carrying out a rehabilitation program which is restoring thousands of veterans to productive life.

FOR EVERYBODY—State aid to public schools increased to almost three times the amount provided in 1939 . . . new buildings at the University of Illinois and state colleges, including branch of the University at Navy Pier . . . old age and blind pensions increased and aid to dependent children established . . . new buildings provided for state hospitals and state tuberculosis hospitals authorized for Chicago and downstate.

The record of Governor Dwight H. Green in service to ALL the people of Illinois has never been equalled. It is a record of sound administration and lasting accomplishments.

COMPARISON PROVES

ONLY by comparing the party platforms, the party performances,—and MOST IMPORTANT OF ALL—the party candidates, can you WISELY decide how best to cast your ballot in the November 2 election.

TODAY, 61,000,000 Americans are at work. Incomes are at an all-time high. Gains that came from Democratic administration of YOUR affairs will NOT BE LOST under renewed Democratic management. Democrats kept the faith in the fight for: price controls, rent controls, greater social security, world cooperation, adequate housing, high minimum wages, SMALL BUSINESS, decent education,—and AGAINST Communism, bigotry and prejudice, slave labor laws, and the real estate lobby.

DEMOCRATS will CONTINUE to keep the faith to deserve continued public confidence.

WHAT'S the "other side?" Comparison proves! The alternative to liberal Democratic policy is CERTAIN LOSS of labor's gains, unchecked inflation, unlimited profits FOR THE FEW, inadequate housing, sky-high rentals, BOOM and BUST.

YOU live in Cook County. Comparison proves here, too. Democratic candidates are fit candidates—indorsed by independent newspapers, civic, business, and labor groups.

THEIR opponents? Well, The Better Government Association says: "The Republican county ticket is easily the worst ever presented to the voters of this community. Beside it, the Democratic ticket shines by comparison."

THE Chicago Daily News says the Republican ticket "represents the under-side of mediocrity."

THE Chicago Sun-Times says: "The G. O. P. state and county tickets are decked with names that recall the roaring 20's. Machine mates of Big Bill Thompson and Len Small would feel at home in Green and Company. In fact, some of them are right there."

THE Daily News says: "The Green administration is full of idle payrollers who make no pretense of working for their money. It nourishes a swarm of grafters, chiselers and racketeers who grow bolder every year. They threaten the moral health of the state."

Foresters To Study Needs at Urbana

Chester C. Davis, St. Louis, nationally prominent exponent of soil and water conservation, will be one of the headline speakers at the forestry congress at the University of Illinois, Urbana, October 28.

Davis, president of the Federal Reserve bank of St. Louis and former director of federal farm and economic program, will discuss "Economic Opportunities in Proper Land Use" at the opening session in the University's auditorium at 1:30 p. m.

All major groups interested in conserving our land resources will be represented at the two-day conference, which will also include exhibits and a field trip to the Allerton park and 4H Memorial camp near Monticello.

Under the sponsorship of the Illinois Technical Forestry association, the program is expected to attract from 40 to 600 persons from all parts of the state, according to Dr. J. Nelson Spaeth, association president and head of the University's department of forestry.

The congress chairman believes that something must be done now to plan for the future of the state's "renewable resources."

The 1,300 sawmills and 1,200 wood-using industries in Illinois now employ 35,000 persons at an annual payroll of \$70,000,000, according to Dr. Spaeth. Many more persons could be employed, he added, if the present 3½ million acres of timberland were made fully productive and the 2½ million acres of open land not adapted to other crops were reforested and placed under good management.

The 3½ million acres of woods were charged with "loafing on the job" as they are now growing only 556 million board feet each year. Under good management they should be producing 1,300 million board feet.

"This congress will provide the first opportunity for all groups concerned with the timberland resources to consider ways and means of developing the forests of Illinois to fully serve all their interests," Dr. Spaeth observed. Other speakers to appear on the program will include Charles B. Shuman, president, Illinois Agricultural association, speaking on "Forest Land Management in the Farm Program," Dean H. P. Rusk, University's College of Agriculture, "Land Use Problems in Illinois: the place of forestry in their solution," F. W. Gottschalk, American Lumber and Treating Company, "Industry and Illinois' Forest Resources," George Brooks, National Brotherhood of Paper, Pulp and Sulphite Workers (AFL), "Labor's Stake in Forest Land Management."

Kenneth A. Reid, Izaak Walton League of America, Inc., "Conservation in a Democracy," Jay H. Price, U. S. Forest service, "Responsibilities of a State in the National Forestry Program" and A. G. Hall, American Forestry association, "The Place of a State Forestry Association in Promoting an Adequate State Program."

The public is invited to attend the congress. Reservations should be placed with R. W. Lorenz, 219 Mumford Hall, Urbana, Ill.

The first bicycle was built by Ernest Michaux, a French locksmith in 1855. Ten years later another Frenchman, Pierre Lallement got a patent on a bicycle which had pedals on the front wheel says the World Book Encyclopedia. This "bike" had wooden wheels and was appropriately called "The Boneshaker"

the school on Saturday, Oct. 16. Mrs. Allan Dixon of 79th street is to be congratulated on her excellent job as chair man for the evening. A very pleasant evening was enjoyed by everyone who attended.

The Ladies of the PTO are making a quilt at their Tuesday night sewing sessions, to be sold for the bazaar.

Mr. and Mrs. Art Wilson of 80th avenue are staying with Mr. Wilson's parents in Chicago Heights, where young Mrs. Wilson is awaiting the birth of their first baby.

Mr. and Mrs. Walter Carter of Hillside road entertained Mr. and Mrs. Geo. Brown of Cleveland for the weekend of Oct. 16. Mr. John Nierman, formerly of Lincoln Estates, joined the party Friday night. The Carters and their house guests attended the field trials at the Joliet Sportsman's Spaniel club Sun.

Ronnie Schaper of Woodvale avenue entertained the primary room at Ann Rutledge school Thursday afternoon with several piano selections.

Don't forget the mammoth Halloween party at the school Saturday evening Oct. 30. Everyone is welcome and invited to wear costumes as there will be prizes for the best outfits. An evening of fun is planned for both young and old with free movies, refreshments and a big bonfire in the school yard.

The following is a theme submitted by Mrs. Walker, teacher of the advanced grades at Ann Rutledge as one of the best and most interesting for a fourth grade student.

The Cub Picnic

We had fun at our Cub picnic. After school we went home and got something to cook at our picnic.

The food we cooked wasn't very good but we ate it anyway.

After we played a few games we went deep into the woods. It was a little dark in the woods so we picked up sticks for clubs.

When it got dark we started for home.—Ronald Studnicki, (9 years old) 4th grade, Cub Scout, Den 2.

True Wisdom

Lesson for October 31, 1948

WHAT is the most important thing in the world? What is worth more than anything else? Some would say Money; some Power; some Goodness; some Truth. Another answer is given by the writers of a group of books, two of which are included in our Bible.

"Wisdom is the principal thing; therefore get wisdom," they say. The books of Proverbs and Ecclesiastes in our Protestant Bible, and the books of Ecclesiasticus and the Wisdom of Solomon in the Apocrypha, all have this viewpoint and are therefore called the Wisdom Literature.

Other writers in the Bible divide the human race into the Good and the Wicked, or the Believers and the Unbelievers; but these writers see mankind as the Wise and the Foolish. The books they wrote (especially Proverbs) were intended particularly for those who are so far neither foolish nor wise—that is to say, the young.

Knowledge Is Not Wisdom
WISDOM (as these writers use the word) is not the same thing as knowledge. A person may know a great many things and still be a fool. Or he may not even know how to read and write, and yet be wise. Some modern writers have said: Knowledge is knowing what to do; skill is knowing how to do it; and virtue is doing it. Wisdom is all of these put together.

But the special feature of the "Wisdom Writers" is this: True wisdom begins with the fear of God. "The fear of the Lord is the beginning of wisdom . . . the knowledge of God is understanding." In other words, wisdom without religion, without faith, is foolish after all.

We can see how in our times the story of the Nazis has shown this once more to be true. The German Reich of 1933-1939 had the best of the science of the world; they had scholarship and wealth and "know-how" in many fields; but they rejected God and defied his church—and so a nation was destroyed.

We too may profit by their example. We of the western nations have wealth and technical skills beyond any other peoples, we have the atom bombs—but have we the wisdom without which all these things are but as torches in the hands of madmen?

University on Ant-Hill
KNOWLEDGE may be expensive. It costs a great deal of money to know what it takes to be an engineer or a surgeon. Wisdom, strange to say, is less expensive. It is fact on such a low shelf that most people pass it by.

Consider where the "Wisdom Writers" tell us we may learn wisdom. One place is experience. "Experience keeps an expensive school, but fools will learn in no other—and hardly from that," says a more modern proverb.

Many of the proverbs in our Bible are simply distilled drops of experience. "A soft answer turneth away wrath, but grievous words stir up anger," for example. Do you need an angel from the sky to tell you that?

Another source of wisdom is just Nature herself. "Go to the ant, thou sluggard (lazy fellow); consider her ways and be wise." A lazy man is a fool; but how shall he learn to be wise? Not by reading books—just by watching the ants.

Inspired Common Sense
A FORMER governor of Virginia used to say that during his term of office he received more practical help from reading Proverbs than from any of the books on political science in his library. For the science, or the art, of government is simply one specialized form of that most important art, getting along with people. And the Wisdom Literature shows us how it is done.

Some people think that Inspiration is always mysterious, and that the Holy Spirit would not stoop to inspire what we could learn in any ordinary way. But the Christian church, when it declares Proverbs (for example) inspired, expresses her belief that there is such a thing as Inspired Common Sense.

God may speak to us, and does speak—if we will listen—in the advice of our parents, in our everyday experiences, in the hard-working ant and the majesty of the soaring eagle. All truth is God's truth, even when we find it in our own backyard.

Rufe's Ramblings

By RUFÉ PICKETT

Just as soon as I was old enough to go to work on the railroad—twenty-one I think it was, I went down to Greensboro to get a job. The train-master was out of town so I went to a hotel to spend the night. I was sitting in the restaurant eating supper when an old gentleman came in and ordered a cup of black coffee. He sauced and blowed two cups full before he looked across the table and noticed me. "Doctor's orders," he sez. "I've been over at the Keeley Institute for a right smart while. They tell me I am completely cured but that I will have to use a lot of will power. Told me if I ever got to seeing things again which I knew were impossible for me not to drink anything stronger than coffee under any circumstances. So that's why I am here now. I kept hearing a horse walking around in the room over mine."

The reason I mention this incident is because it makes me so mad when one of my yankee friends asks me how old I was when I first started wearing

shoes. "Did they have to catch you and put 'em on you?" they'll say to me sometimes. Well this proves that I wore shoes before I went on the railroad. Elkin home made, they called them. Good substantial shoes with heel irons and toe plates. You see that night of which I spoke I was occupying the room right over the old gentleman who came in and drank the black coffee.

Most Illinois soils are subject to serious erosion if they are not farmed properly.

Want To Join
Our Club?

Newcomers to our town are puzzled when they hear talk of "The Barbecue Club." Want to know who can join, and what the purpose is.

Well, the answer is: any one can join who's neighborly inclined. The purpose is simply to enjoy good food, good beer and ale, good conversation—all towards getting to know one another better.

Every other Saturday, at one farm or another, the pit is dug, and the fire started. And by sundown, neighbors from miles around have come together—the women

contributing cakes, pies, and coffee, the men contributing the meat for barbecuing, and the beer or ale.

From where I sit, it's this simple wholesome side of country life in America—its spirit of good-fellowship—that makes for tolerance and better understanding between neighbors.

As I say, Neighbor, any one can join up! So come along a week from this Saturday.
